Glenco Air & Power Pty Ltd (the "Company") warrants that its ALMiG air compressors, compressed air dryers and compressed air filters (the "Goods") shall be free from defects in material and workmanship for a period of two (2) years from the date of original sale (hereinafter the "Warranty Period").

An extended Warranty Period of five (5) years total from the date of original sale shall apply under the following conditions subject to the Company's approval, which shall not be unreasonably withheld:

- Any dryer or filter must have been purchased in a single transaction together with the compressor.
- The installation and ambient operating conditions must comply with ALMiG's guidelines.
- The Goods must be commissioned by an authorised ALMiG Service Dealer or Technician within four (4) weeks from the date of original sale.
- The Company must be informed about the commissioning with a completed Compressor Installation and Commissioning Report Form within three (3) weeks from the date of commissioning.
- If the Goods are moved to another location, the above-mentioned procedure for informing the Company must be repeated.
- The Goods must be operated and maintained in accordance with ALMiG's guidelines.
- All preventative maintenance must be performed to schedule and any corrective maintenance must be performed as required, in all cases by an authorised ALMiG Service Dealer or Technician using only genuine ALMiG parts and lubricants.
- Each maintenance or repair session must be documented with a completed Service Report, which must be made available to the Company upon request together with copies of invoices for any parts and lubricants used.
- All orders for consumable or repair parts must state the type, model number and serial number of the ALMiG machine for which they're intended.

Compressed Air Products

The Warranty Period is continuous from the date of original sale and does not restart upon the repair or replacement of the Goods or any part thereof.

Upon return – transportation charges prepaid by the Consumer – to the Company's or its nominated dealer's premises within the Warranty Period, the Company shall repair or replace, at its option, any Goods which it determines to contain defective material or workmanship and shall return said Goods to the Consumer free-on-board (FOB) at the Company's or agent's premises. The repair or replacement work will be scheduled and performed according to the Company's normal work flow and availability of replacement parts.

The Company shall not be obligated, however, to repair or replace Goods that have been: repaired by others; abused; improperly installed, operated, maintained, repaired, transported or stored; not serviced to schedule using genuine ALMiG spare parts; altered or otherwise misused or damaged in any way.

The Company shall not be responsible for any diagnosis, communication, dismantling, packing, handling, freight, and reassembly or reinstallation charges.

Freight damage, pre-delivery service, normal operating adjustments, preventative maintenance service, consumable items, cosmetic damage, corrosion, erosion, normal wear and tear, performance, merchantability, and fitness for a particular purpose are not covered under this Warranty. Consumable items include filters, lubricants and V-belts.

The Company shall not be liable for any repairs, replacements, or adjustments to the Goods or any costs of labour performed by the Consumer or others without the Company's prior written approval.

To the extent permissible by law and notwithstanding any other clause in these Warranty Conditions, the Company excludes all liability whatsoever to the Consumer arising out of or in any way connected with a contract for any consequential or indirect losses of any kind howsoever arising and whether caused by breach of statute, breach of contract, negligence or other tort.

The Company's liability will be limited to, in the case of products, the replacement of the products, the supply of equivalent products or the payment of the cost of replacing the products or of acquiring equivalent products or, in the case of services, the supply of the services again or the payment of the cost of having the services supplied again. The choice of remedy will be at the discretion of the Company and the Consumer acknowledges that this limitation of liability is fair and reasonable.

This Warranty is available only to the original Consumer bearing the original tax invoice from the Company or one of its authorised dealers as proof of purchase. Goods purchased from any other party such as a private seller, auction house, eBay seller, etc. are not covered by this Warranty.

Our Goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the Goods repaired or replaced if the Goods fail to be of acceptable quality and the failure does not amount to a major failure.
